U. S. Postal Service,

The Town of Templeville would like to appeal your decision to close Templeville Post Office. It has been a part of our town since 1846.

As a very small town we don't have much in it any more, one store. We need something to keep us alive, not put us to death. We know the Postal Service is in trouble but it looks like you need us as much as we need you. What you are doing now is going to come back and bite you in the end. The Postal Service of today is not the Postal Service the people of our Country has known and loved. You know the old saying, its not over till the fat lady sings.

I saw the writing on the wall when you came out with Kate Smith stamp in 2010. Are you real going to let the fat lady sing?????????????

Sincerely,

Helen Knotts Mayor
